UGLY BETTY BABY SHOWER

COSTARS HELP ANA ORTIZ GET READY FOR BABY NO. 1—A GIRL!

The actress, 38, had one request for her April 19 shower in New York City: "I didn't want anything too princess-y. It's New York. She's going to be a hip kid." Mission accomplished. The day was so cool even the guys stuck around. "The food was good and there were beautiful women," said costar **Tony Plana**. "There was no incentive to leave!" **Ortiz** was given lots of organic baby goodies, but **Eric Mabijs** thinks she's already prepared: "Noah and Ana have all the tools necessary to raise a perfect baby."

Ortiz's husband, musician Noah Leibzon, "tells me how beautiful I look."

Hotmomsclub.com helped throw Ortiz's fete. "They're God's gift to pregnant women."

"She's going to be a fantastic mom," says Williams. "She's warm, loving and grounded."

Ortiz's cousin Samantha Gonzalez, 2, enjoys a Buttercup cupcake.
